Tickets have been distributed, and if you need more or haven't received yours please let us know, any board member can help you obtain them.

At Open House we distributed the flyer shown here to the students & ask each Jazz student to place 3 or more within our community so we can advertise as much as possible. Ask businesses, doctor offices, etc. The more advertising, the more successful we will be. The flyer is also attached to this email and you can print as many as you would like.

The following facebook event can be linked to your facebook account and you can invite everyone.
