We ask that EVERYONE participate to ensure the success of this wonderful event. We have received some auction item donations, but still are in need of many more. We are just 6 weeks away from this event. The list of donations will be available on our website for you to reference in order to avoid requesting multiple donations from the same businesses. If you have a particular business you are able to speak with, please let us know so we can add that to our list of businesses contacted so we don't duplicate efforts or speak to a business more than once.
