Your Formal Wear

Please make sure your tux or dress fits correctly. The pant legs should rest on the bow of your shoes and should not drag on the floor. Dresses should also be hemmed to the correct length using an invisible stitch. When hemming, do not cut off fabric and do not use Iron-on Hemming Tape.

If you are not comfortable with hemming them yourself, Village Dry Cleaning Center will do it for a reasonable price. Just pin to the appropriate length and they will take care of the rest. Make sure to tell them it must be hand stitched only with no cutting. Please allow 2 weeks for this process. They are located in the same shopping center as DK Donuts and Pedro's Mexican Restaurant.

8546 El Camino Real, Atascadero, CA 93422, Phone: (805) 466-6868.

If for any reason you are having trouble with your tux or dress, please contact me and I will help you.
