Notes: Majority came from BBQ and football. We need to get Seb his scholarship check (it's in this month's expenses). Taxes are "late" for \$1500. We e-filed. We can file an extension and audit like we asked for 23/24 year. We filed everything on time, the girl at the bank seemed fairly new. We are going to follow up on Monday

Last football game they were using wifi for concessions. We should look into tablets that have wifi capabilities

Secretary Update

- Need to get our Square users up to date, it is a security risk
- Are we still using paypal? Can we get rid of it? We used it for disneyland but perhaps we just remove it and make Square correct

Uniform Coordinator Report

- Night of christmas parade bring uniforms in - put in band blast
- Walk around the lake - all ensembles can wear warm festive clothes.

Conrad Update

- Students to load equipment friday during school
- Winter formal popcorn? We've been asked to see if we would provide popcorn
 - Pop before? Pop during? What does that look like in regards to transportation and compensation
 - \$1500-\$200
 - Tablets?
- Holiday Parade - 4:30pm at AHS for bus loading
 - SNACK signup. We need 100+ snacks; Individually wrapped - donations (sign up genius) - cuties, fruit, granola bar
 - Pizza discussion and logistics
- WATL - 4:30 for Marching; 5:30 for rest of ensembles. Bring lamps. We are walking around the lake, need parent volunteers for lights. It's dark.
 - In spirit all ensembles need to watch all ensembles. Support each other

Unfinished Business

- Add QR code to WATL program; Print program
- Band Social - kids have it all under control; Paige and Reese to shop for decorations
- Springhill Suites/Elk Lodge, conrad to take a visit and see which one looks good
 - Food wise, suites has a kitchen and can accommodate appetizers?
 - May 3rd or May 4th for cheaper cost
 - Food truck...?
 - Spring Committee to meet and decide further
- Venmo/Zelle - no need to discuss.(Let's stick with Square and build that out)

New Business

- Prop 28 money update: we are able to spend 20-30k no restrictions. We are buying string instruments (~\$8k). Okay to start using \$80k can be dedicated to hiring coaches, hiring during class "artisan residents" could cover things like jazz festivals. Looking at Tom Brown to help with percussion

Meeting adjourned 7:25pm
